

COMPOSITION

In art, **composition** is the way visual elements are
arranged in the artwork.

Wassily Kandinsky, *Composition VIII*

balance: the way that parts of a composition are placed

3 TYPES OF BALANCE

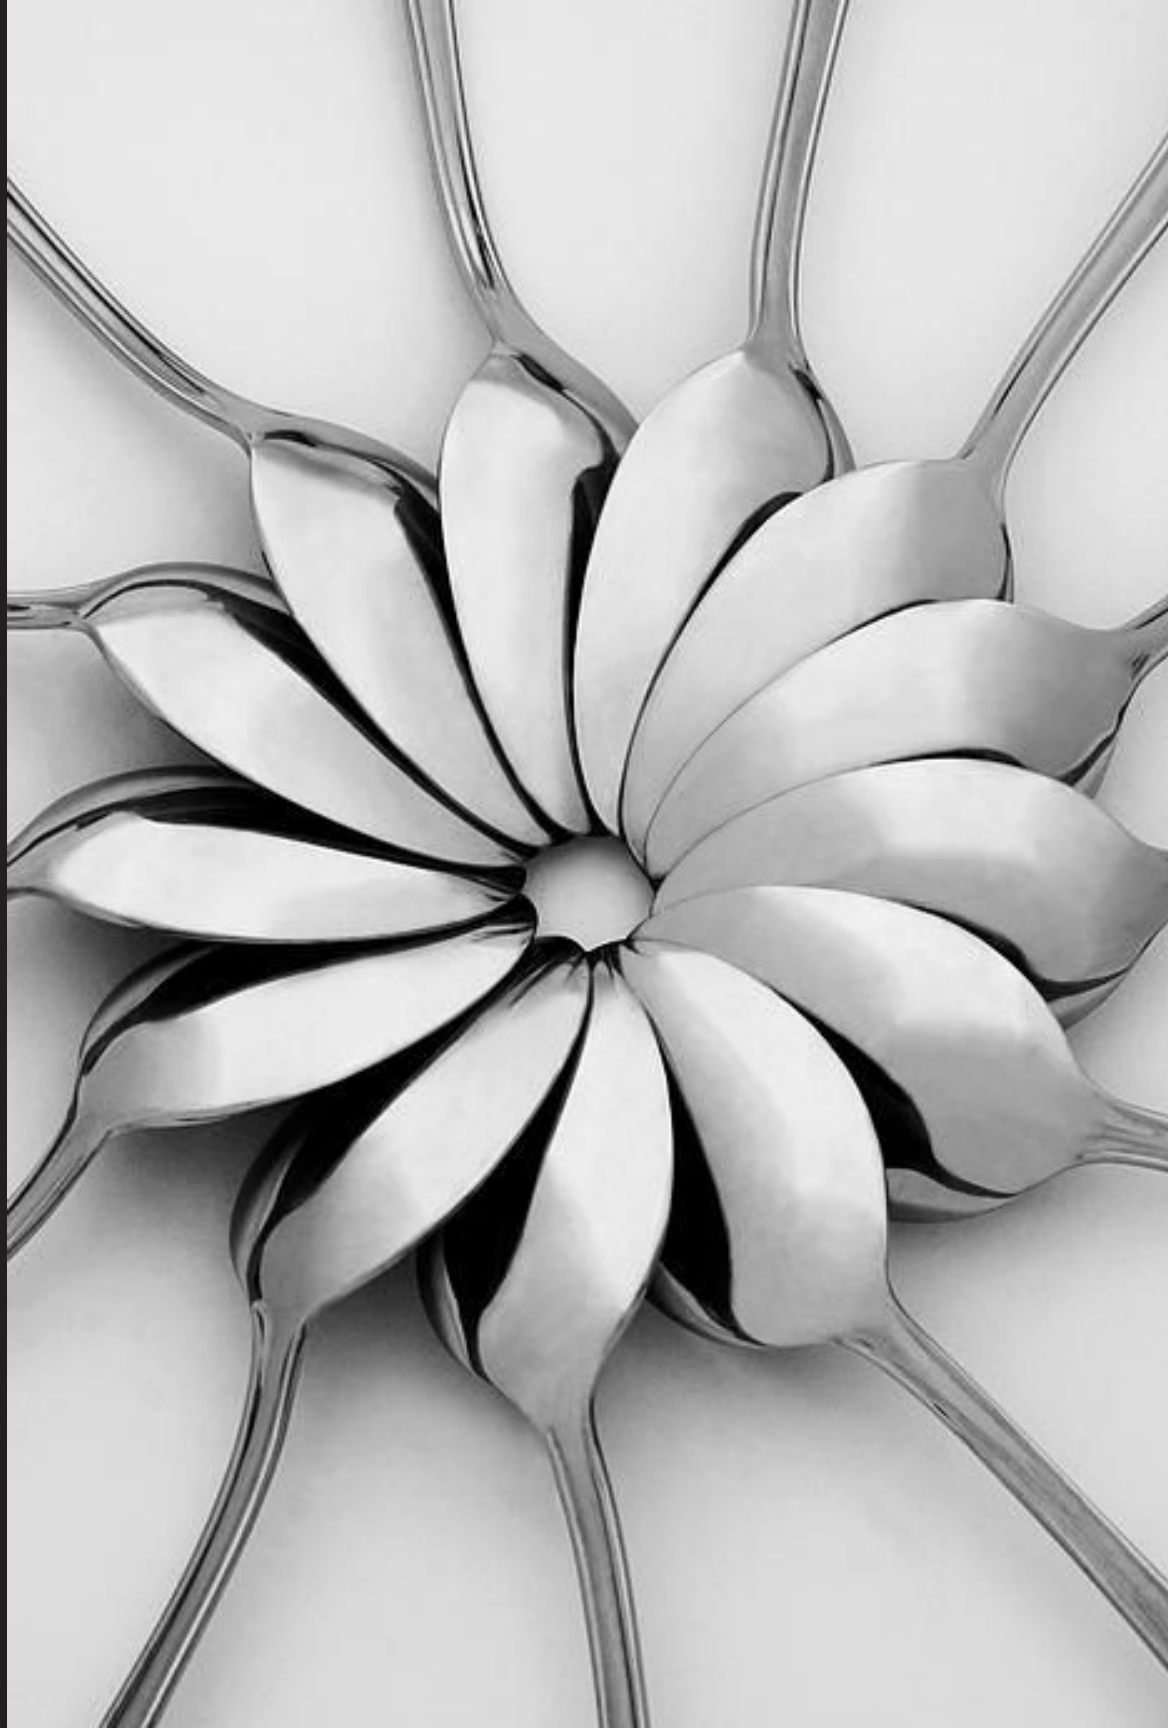

symmetrical balance:
elements of a composition
are equal on either side

asymmetrical balance:

elements of a composition
are different on either side

radial:

elements are circled around
some sort of center

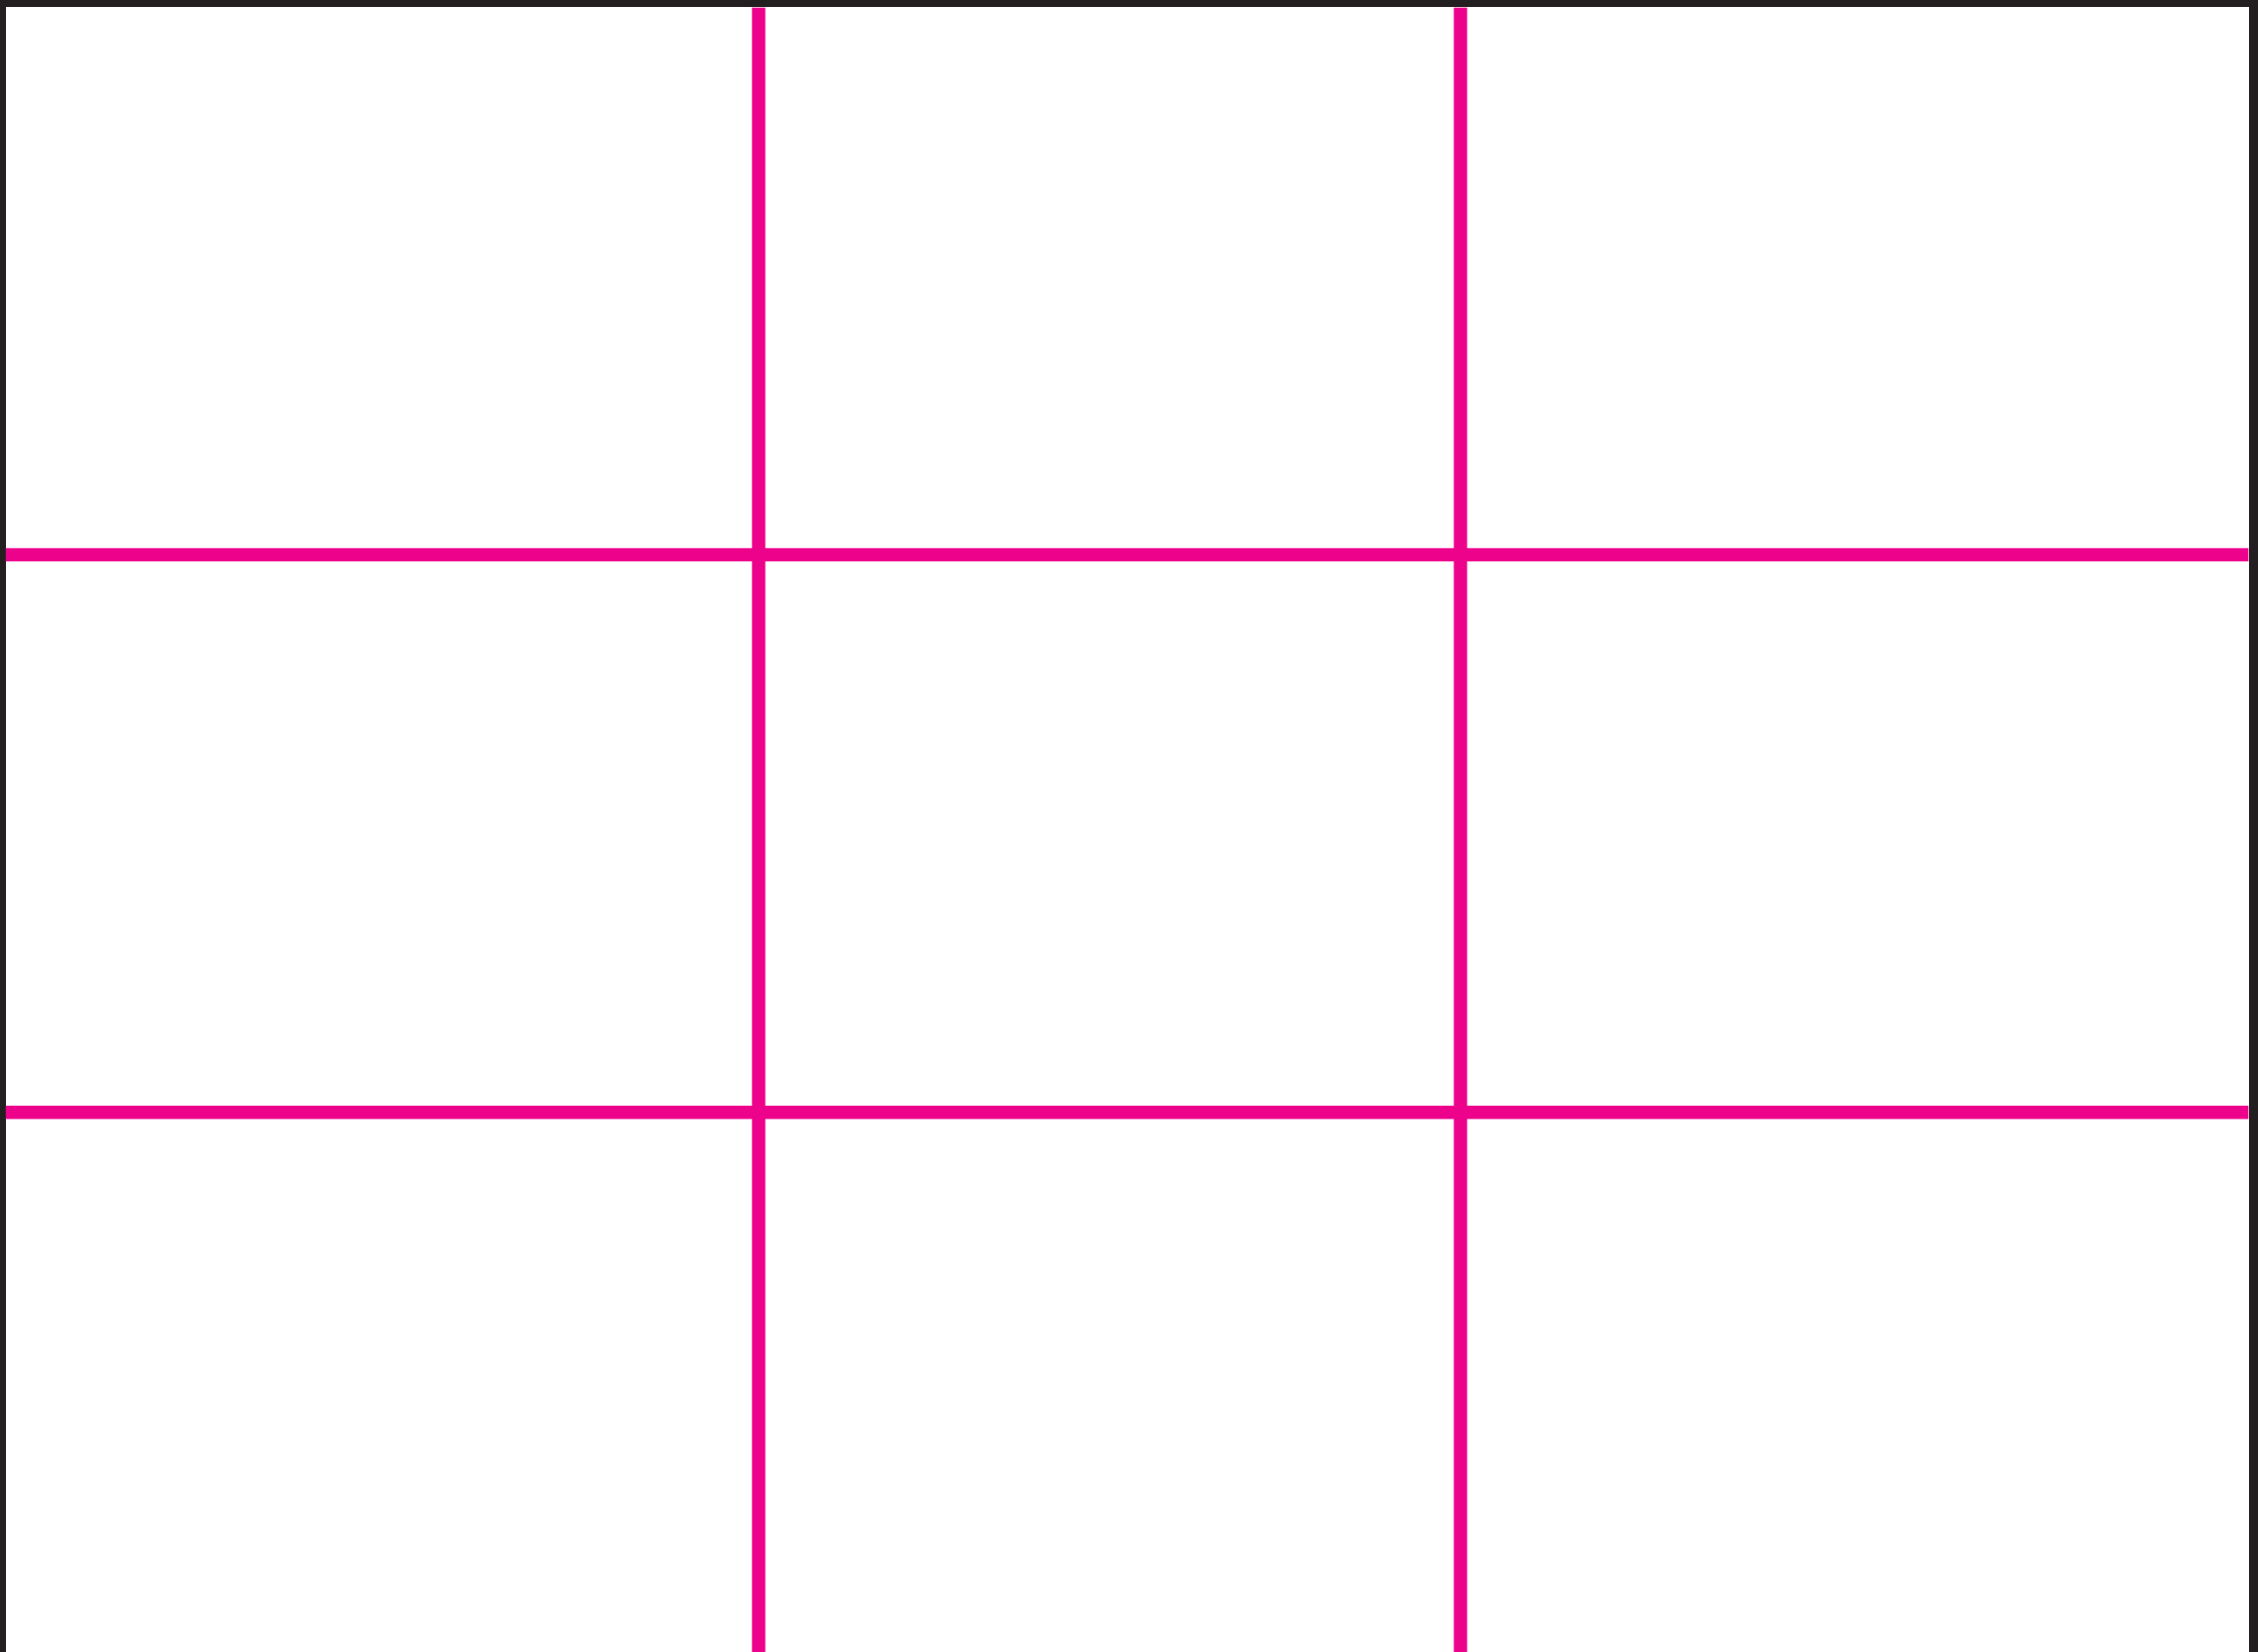

PHOTOGRAPHY &
COMPOSITION

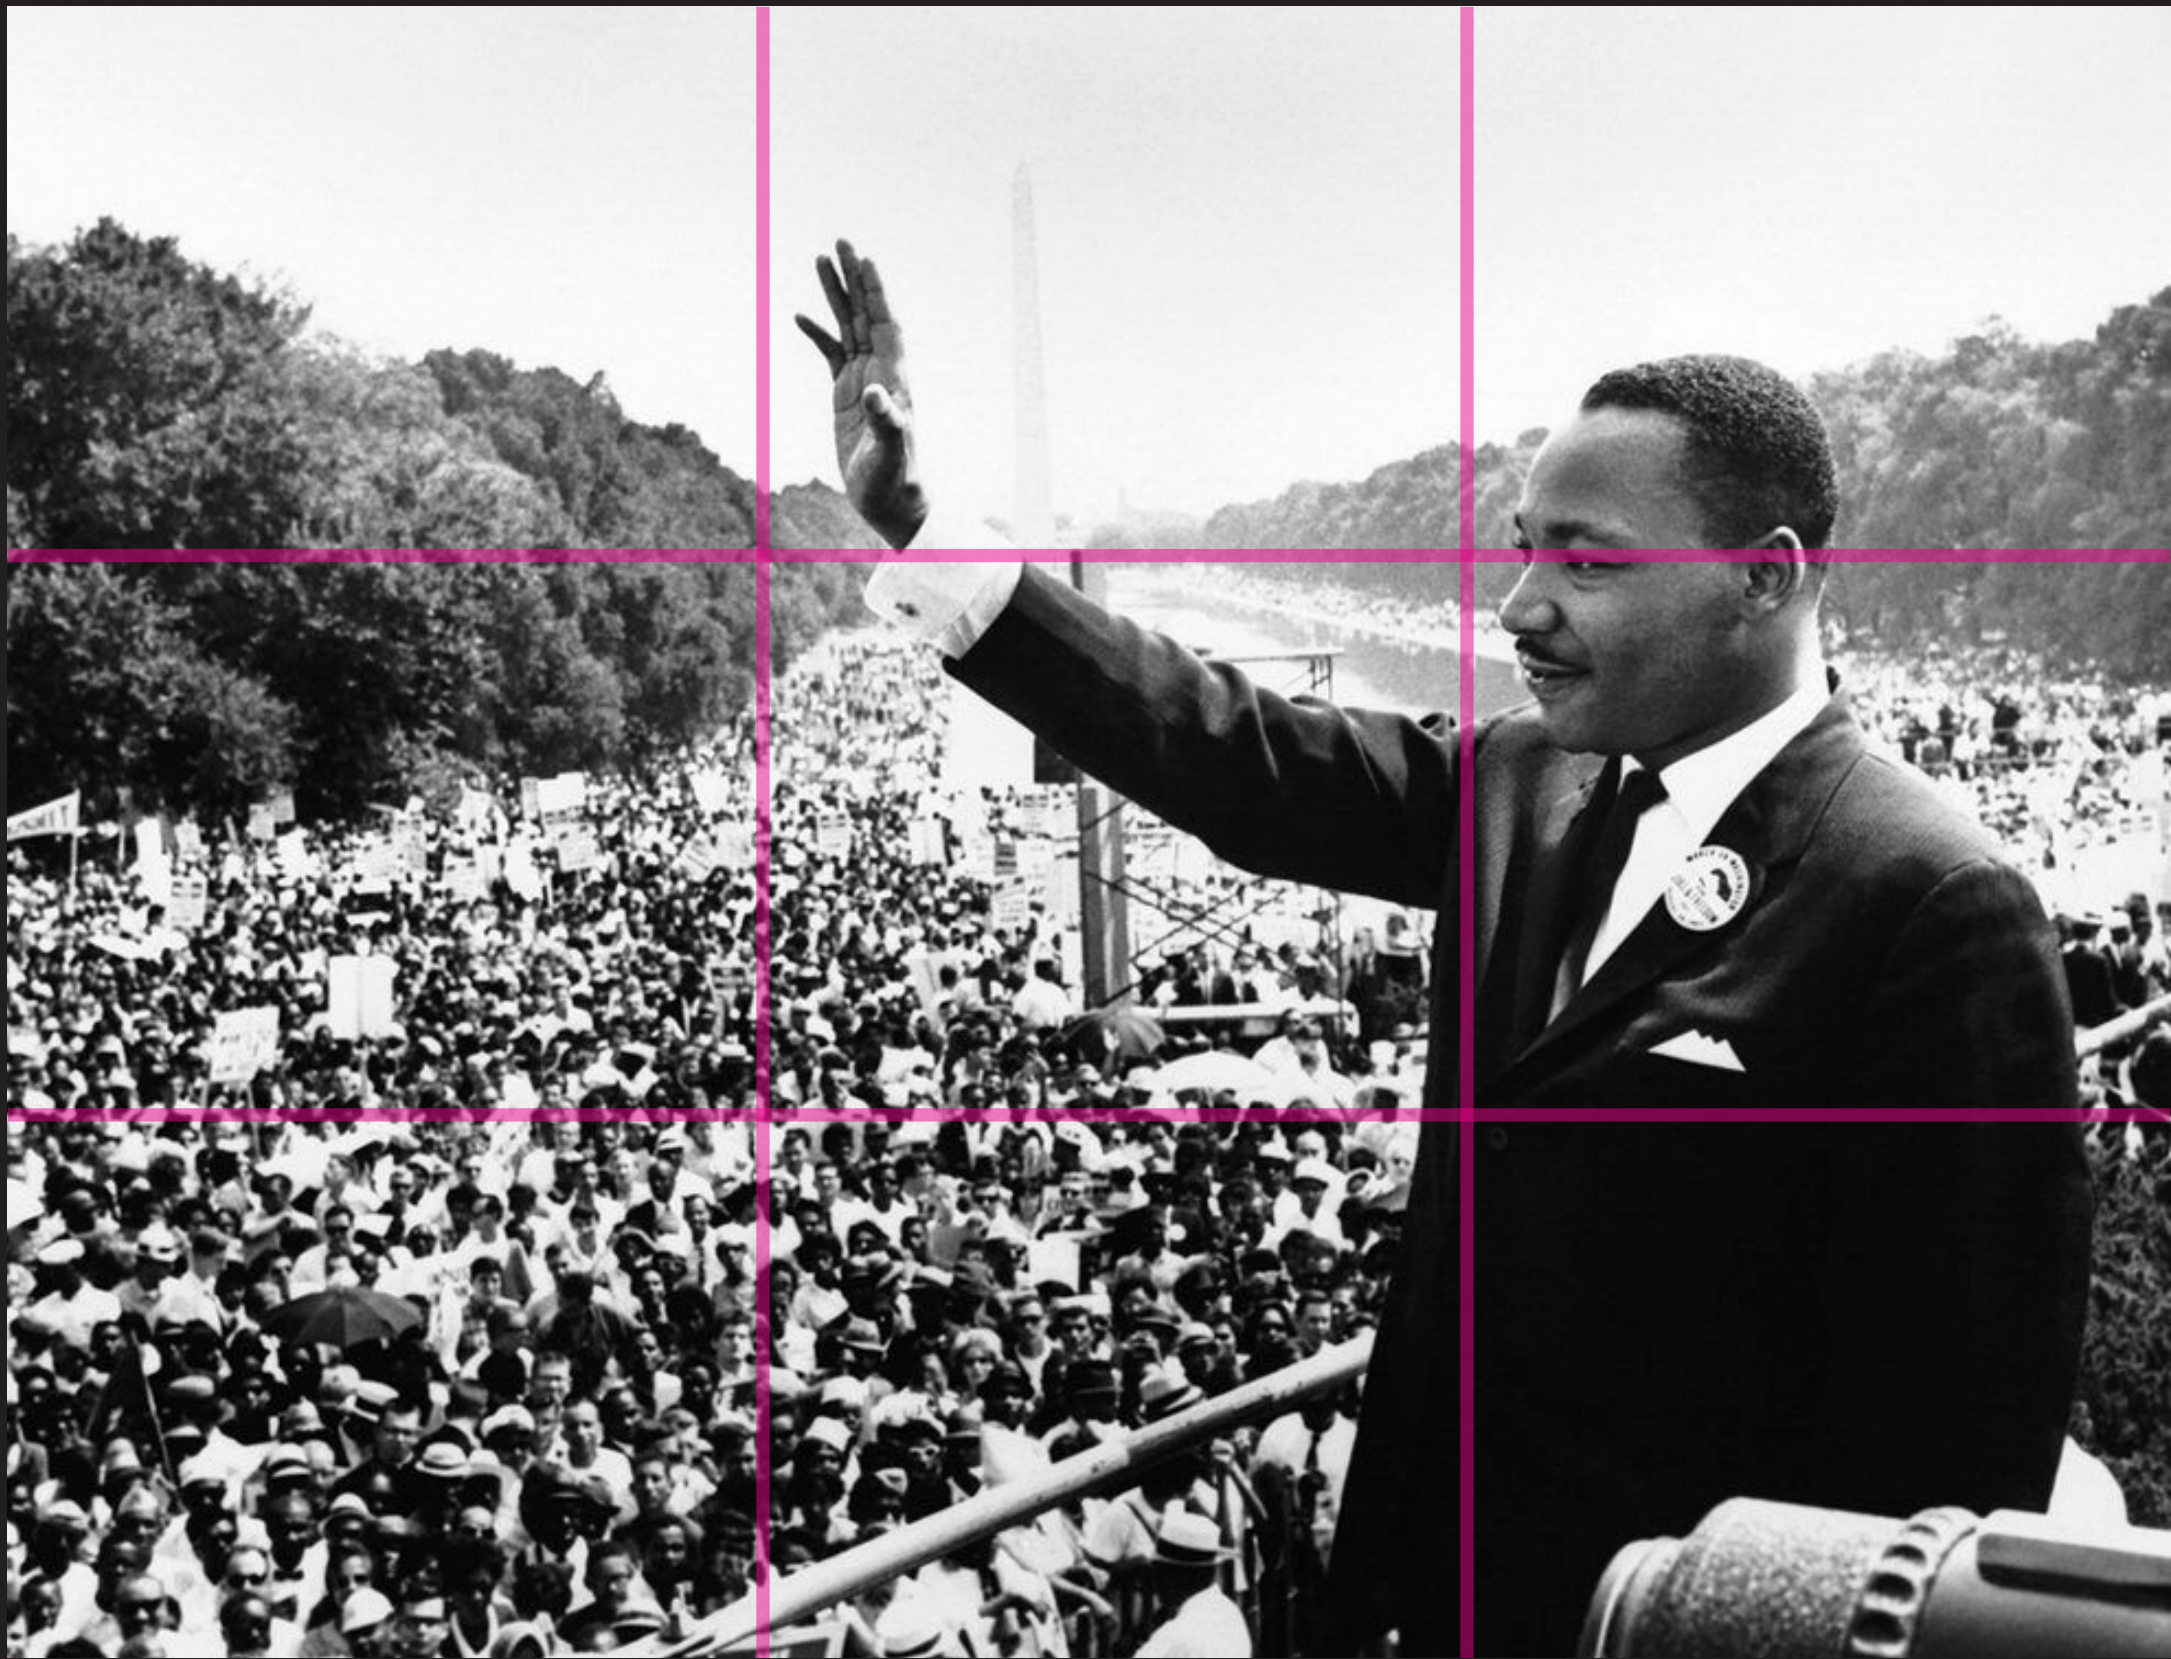

Try placing key elements **off-center**.

RULE OF THIRDS

A guideline for composing visual images using **nine equal parts**.

Create 4 compositions:

- symmetrical
- asymmetrical
- radial
- rule of thirds
