ADOBE ILLUSTRATOR

Mrs. Agresti · dagresti@egsd.net

DESCRIPTION

Adobe Illustrator software is the design industry's premier vector-drawing program. Through this class you will learn the skills and methods of design using Adobe Illustrator. All projects will be completed through the design process from research to sketches to a final solution. Through this process a clear understanding of the design principles will be gained. You will also gain a strong perspective to see the world around you in a new and more interesting way.

EXPECTATIONS

· Students show respect to the teacher, classmates, materials and artwork.

· Students are responsible for cleaning up their space and materials.

· Food and drinks are not allowed near computers.

· Cell phones/electronics should be put away during instruction.

SUPPLIES

· pencils

· 4gb or larger USB flash drive *to be kept in the artroom* ($10 or less)

· spiral bound sketchbook of any size

ASSESSMENT

· Project Grades = 60%

 Projects will be graded on a rubric that includes composition, technique, creativity, workmanship and reflection.

· Classwork/Homework/Quizzes = 10%

  This category includes small sketchbook assignments and quizzes.

· Participation = 30%

 Students will receive a bi-weekly participation score out of 5 points. This will be based on attendance, punctuality, clean up, engagement, behavior and preparation for class.In order to receive the full 5 points students must:

     - act appropriately

     - be responsible & respectful

      - try your best
